Mission: To proclaim the Gospel, serve others, and praise God as we grow in faith, knowledge, values, and respect.

Spotlight Student/Student of the Week

This school year, every student at Holy Angels will be "in the spotlight" for a day! In place of Student of the Week, your child will have his/her own day to be honored and appreciated (some days will have two students since Holy Angels has more students than days of school).

Spotlight students will tell everyone a little about themselves during announcements in the morning or at assembly. They will also have their picture and a short biography displayed in the main hallway. In addition, look

for Spotlight Students in the newsletters and parish bulletin. The week before your child is a Spotlight Student, he/she will bring home a form to complete. Please attach a picture to it and send it back on Monday of that week. Thank you for your help in spotlighting your child at school!
