Dear Parent,

If you purchased a new or refurbished Chromebook for your junior high student, you may request a one-time \$100 subsidy for your purchase. This subsidy will be posted as a credit on your family's Financial Statement.

To receive the credit, please attach a proof of purchase to this form and return it to the school office. A "proof of purchase" could be a copy of the store receipt, online purchase receipt, credit card statement, or anything that will show a recent purchase for the 2020-21 school year.

Thanks for supporting your child's use of technology as one of many tools for learning at Holy Angels School.

Peace be with you,

Anne Weise  
Principal
